Artistic works

Charges applied only for image use in finished works. Prices calculated on a case-by-case basis, considering sale value, editions and prominence of the archive materials used.

Administration Fee

£20 administration fee is applied to all commercial image reproduction orders.

United States of America

Due to US Government tax on transactions of this type, a minimum 30% surcharge is applied to all orders originating from the USA.

Discounts: all quoted figures are base rates; fees may vary depending on use

Société Jersiaise Members, Corporate Members and affiliated organisations will receive an automatic 50% discount on commercial image reproduction prices.

(USA order surcharge not included in this discount)

Automatic discounts are also applied to reproduction costs for orders of multiple images:

>10 = 10%; >20 = 15%; >30 = 20%

*Print runs over 10,000 are subject to scalable pricing.
